HILLFEST SPONSORSHIP REQUEST

HILLFEST SPONSORSHIP REQUEST

Introduction

The work of the Capitol Hill Jazz Foundation and the HillFest festival we present is to showcase the great artistry, entrepreneurship, and advocacy of DC-based Artists and the impact they have on the music community locally, nationally and globally.

HillFest is an annual festival comprised of several programs including: a music conference of musicians, educators and enthusiasts in the music industry, nightly jam sessions, music workshops that all conclude with a daylong outdoor music festival held at Garfield Park the first week in October.

★ The two-day music conference features a range of topics from arts policy to music technology, featuring panelists from the music industry, local government and music educators.

★ Each evening of the conference concludes with a Jazz Jam session.

★ This year the festival will be held outdoors at Garfield park all day on October 7th.

★ The festival will feature a variety of Jazz band performances, high school marching band and jazz orchestra, and children's storytelling split amongst two stages. The festival will feature food and craft vendors and international, national, regional and local acts.

★ This festival is free and open to the public.
